W2XO MAINTAINS A GATEWAY BETWEEN INTERNET AND PACKET.
To mail from internet to packet:
1. Mail to: "bbs@w2xo.pgh.pa.us"
2. Make the first line of the text a Packet BBS "send" command, ie:

    SP TOCALL @ BBSCALL.ROUTING-HINTS < FROMCALL

3. The "subject" line of the internet mail becomes the "title" line of the
packet BBS mail.

Any problems just send msg to W2XO Jim Durham
